

Grove Road Primary School

Monday 16th April 2018

Dear Parents

Following the success of last year, the choir have again been asked to sing at the FOTCH (Friends of Tring Church) Family Fun Day held at St Peter and St Paul's Church in Tring, during the afternoon of Saturday 12th May 2018. The choir's time allocation is 1.30pm and the children would be singing for approximately 20 minutes. They would need to arrive at the church no later than 1.15pm. The children thoroughly enjoyed performing last year and following this they are free to enjoy the rest of the day's activities organised by the church, including the Teddy Tower of Terror! This is a very exciting opportunity for the children to sing not only to you, but the whole of the Tring community.

I am aware that many of you are busy on a Saturday and in order for me to go ahead with this event I would like a minimum of 25 children to participate.

Please would you let me know by Friday 27th April by e mail at susantunley@yahoo.com (or even catch me in the playground!), if your son/daughter would be able to participate in this event.

As this is a school event the children would be expected to wear school uniform.

Thank you for you all your support.

Yours faithfully

Sue Tunley (Choir Leader)
