

Reception Home Learning Summer Term 1 2018

Choose one Home Learning activity to complete each week. You can choose which one to do, and in which order to complete them. We would like your child to complete one piece of Home Learning to bring to school each week.

Please sign the activity on the grid that has been completed that week. For when you have a busy weekend, we have included a Family Week. These are only suggestions of some things you might do and there is no need to put anything in the Home Learning Book for the family week, unless you wish to. Just sign to show that is the activity chosen.

Please bring Home Learning back to school every Monday. Thank you for your support.

<p style="text-align: center;"><u>Make up a story</u></p> <div style="text-align: center;">  </div> <p>Look at the picture and tell a story with a beginning, problem in the middle, and an end. Have a go at writing 3 sentences or more. Can you use story starters such as 'once upon a time;' 'long, long ago;' 'far, far away?'</p> <p>Parent signature</p>	<p style="text-align: center;"><u>Number Bonds to 10 game</u></p> <ol style="list-style-type: none"> 1. Each person writes five numbers between 10 and 3 on a piece of paper. 2. You can write a number twice. 3. Take turns to throw a dice. 4. Look at the number on the dice – what must be added to it to make ten? 5. If you have the answer on your paper, cross it out. 6. The first one to cross out all five numbers is the Bingo winner! <p>Parent signature</p>	<p style="text-align: center;"><u>St George's Day</u></p> <p>Monday 23rd April will be St George's Day! Share the story of George and the Dragon using the link below.</p> <p>https://www.youtube.com/watch?v=OFTgSaTST_E</p> <p>You may also want to make an England flag, shield or a dragon.</p> <div style="text-align: center;">  </div> <p>Parent signature</p>

Literacy

Forest Phonics

This is a game the children have used in class during Phonic lessons.

- Google 'ict games forest phonics'
- Click on the first option 'Forest Phonics-ict games.'
- Choose your phoneme and click on it.
- Click on the snail and listen to the word you need to spell.
- Use the letters at the bottom of the screen to spell your word.

Maths

Doubling Game!

Double the number you roll on a dice. Use household objects, for example, pasta to help you calculate.

- _ Take turns to throw a 1-6 dice.
- _ Write down the number you get.
- _ Double it and write down the answer.
- _ Take five turns each.
- _ The person with the biggest number wins; if there is a tie, the person with the smallest number wins.

Halving

Halve these numbers. Use household objects to help you to share equally between 2 people. Record the number and the answer in your book.

6, 10, 14, 8, 20, 4, 18, 12.

On Reflection.

Think about all the learning we have been doing in school and at home. Tell your family about the learning you have enjoyed the most and ask them to write what you say on the speech bubble sheet attached. We would then like to include this in your Learning Journal at school.

PSED

Being Healthy

Look at the Eat Well Plate and design a healthy meal. Draw it in your books and then have it for tea. Take a photograph if you can and stick it in your book.

Science

The Ducklings Have Arrived!

This half term we are lucky enough to have ducklings in the Early Years Unit. During this time the children will be learning all about life cycles. Choose an animal and draw their unique life cycle.

Family Week

Take time to do something as a family this week
For example:

- a busy family weekend
- a walk in the woods
- I tidied my bedroom
- I set the table for lunch
- I did some cooking
- play a game involving numbers or counting eg dominoes, counter game.
