

Grove Road Primary School & Nursery

26th April 2018

Dear Nursery Parents,

The Nursery children will be learning about living, spring time animals and growing this term.

To enhance this topic, on the afternoon of **Wednesday 23rd May**, ZOOLAB will provide a workshop to learn more about spring time animals and provide some hands on experience of touching some of the animals, which will take place in the school hall. The children will also get to meet some mini beasts!

Due to staffing ratios in conjunction with our flexible sessions in Nursery the opportunities to attend these sessions will be organised as follows:

If your child attends Nursery on a Wednesday afternoon they will be able to take part in the ZOOLAB Workshop and the cost for this will be **£6.50 per child**.

If your child does **not** attend Nursery on a Wednesday afternoon, then we would like to invite your child to come along and attend one of the workshops, the cost for this will be £6.50 per child.

The afternoon will work by ZOOLAB running 2 workshops. The first slot running from 1:00 until 2:00. And the second running from 2:00 until 3:00.

If your child does not normally attend our Wednesday Nursery session, you can choose either session 1 or session 2, please indicate this in the comment section on the school gateway, to ensure we can allocate the groups evenly.

To attend the first Zoo Lab slot (Session1) at 1.00pm, they will need to arrive to Nursery at 12.30pm to be registered and then be picked up at 2.00pm.

To attend the second Zoo Lab slot at 2.00pm they will need to arrive at 1.30pm and then be picked up at 3.15pm.

Due to staffing ratios; children who attend Nursery Wednesday morning will have to have lunch at home and then come back for their chosen session.

There is a cost for ZooLab to visit our Nursery children with their animals; therefore the cost per child will be £6.50 to help cover the cost of this workshop.

Parental consent and payment is now requested using The School Gateway. (www.schoolgateway.com) This needs to be completed by Friday 11th May.

Yours sincerely,

Mrs Sophie Kerin
Nursery Teacher
