

Grove Road Primary School

Thursday 22nd February 2018

Dear Parents and Carers,

Andy Goldsworthy Workshop

As part of our 'Mother Nature' topic, Year Three have been learning about the work of the artist Andy Goldsworthy. As such, we would like to invite all parents to come in on Thursday 8th March at 9am to help the children make their very own Andy Goldsworthy style sculptures outside on the playground/field. This will probably take about an hour and you will be free to go by break time (10.30) at the latest.

We have also explained to the children that they are welcome to bring in some of their own natural resources that they may have come across or collected as part of their Home Learning (interesting pebbles, dried pebbles or different shaped sticks etc). If you would like to come in and help, please can you let your child's teacher know. Remember to wrap up warm!

Kind Regards,

Miss Lea and Mr Maranzana
