

EVER THOUGHT OF TEACHING?

Teacher Training through School Direct with the Dacorum Teaching School Alliance

The Dacorum Teaching School Alliance is a collaboration of the University of Hertfordshire and 12 schools in West Hertfordshire, including secondaries, special schools and pupil referral units. Our combined aim is to sustain and promote an exceptional quality of education for the students and communities we serve.

We offer a School Direct Teacher Training programme in the following subjects for September 2018 and still have places in the following subjects -

Biology*, Chemistry*, Computing*, Design and Technology, English, Geography, Mathematics*, Modern Foreign Languages, Music, Primary Teaching, Physical Education and Physics*

(* = School Direct Salaried training programme available)

**For more information about our Teacher Training opportunities or if you would like to visit one of our schools or discuss your potential application
Please contact -**
