Dear Miss Sanderson

I just want to say how overwhelmed I was when I collected all the donated toys for The Salvation Army Toy Appeal 2017.

I would like to say a huge 'Thank you' for participating in the Toy Appeal and for the way everybody at the school gave so generously and personally. The toys and personal messages written will have helped to bring a smile to the faces of the children and families at Christmas that received them. You have helped to make a difference, you were amazing! Thank you so much.

I do hope you all had a wonderful happy Christmas and would like to wish you, your colleagues, staff and pupils a very Happy New year.

Kind regards

A handwritten signature in black ink, appearing to read 'Julia Adcock'.

God bless,
Julia
