

## Reception Home Learning Spring Term 1 2018

Choose one home learning activity to complete each week. You can choose which one to do, and in which order to complete them. We would like your child to complete one piece of Home Learning to bring to school each week.

Please sign the activity on the grid that has been completed that week. For when you have a busy weekend we have included a Family Week. These are only suggestions of some things you might do and there is no need to put anything in the Home Learning Book for the family week, unless you wish to. Just sign to show that is the activity chosen.

Please bring Home Learning back to school every Monday. Please stick your Home Learning in your home learning book. Thank you for your support.
