Free Workshops for parents of children with additional needs

Thursday 25th January 2018 SEN Managing the impact on siblings and relationships

Family life is all about relationships and communication. SEN can bring communication challenges affecting every relationship. How can we balance the needs of all family members?

Thursday 1st February 2018 Practical information around SEN and working effectively with Professionals and Schools

Realising the full potential of our child by understanding the "ins and outs" of special education from early identification to intervention, the terms and acronyms. Building positive working relationships with professionals.

FREE two hour workshops facilitated by Sarah Ellis

10.00 – 12.00

Gade Community meeting room
Chaulden Junior School, School Row
Hemel Hempstead, HP1 2JU

Refreshments and resources provided
