

12th December 2017

Dear Parents/Carers,

I am pleased to be able to offer guitar lessons to the children at Grove Road School and feel that playing the guitar is great for encouraging children to think differently, be creative and build confidence.

I have been playing guitar professionally and teaching for over 20 years (covering all styles and genres) and I can prepare your child for grading in both Rock and Classical.

Lessons are dynamic and fun, with music to play along with and clear goals to reach. Practice is encouraged and expected to see consistent progress.

Lessons are offered on an individual or group basis and will take place every Wednesday. The cost based upon 11 lessons per term will be;

- £132 for 11 x 20 minute lessons (individual),
- £198 for 11 x 30 minute lessons (individual) and
- £99 for 11 x 30 minute lesson (shared).

Invoicing will be based on 11 sessions per term, non-refundable if a child is absent due to illness or school trips within reason.

There are several music shops in the area based in Hemel and Chesham and also GAK and THOMANN online for the purchase on musical instruments. I am happy to teach electric and acoustic/classical but do advise that it may be best to begin on a cheaper classical style instrument.

If you would like begin or continue guitar lessons for your child, please fill in the slip to reserve a space and receive payment instruction.

Kind regards

Julian Cooper
