

The Giving Machine

Shop online and raise FREE cash for school!

How does it work?

- 1 – Download the Shop & Give app from the app store
- 2 – Choose Grove Road Primary School as your chosen cause
- 3 – Shop online through the app as you normally would and raise free cash for the school. Your purchase through Shop & Give automatically generates a sales commission, this is then generated into a charitable donation and passed on to your chosen cause.

Doing your Christmas shopping through any of the following websites (plus 2,000 more), then you could be earning FREE cash for the school!
