KidZania Trip – Westfield Centre W12 7GA

Dear Parents,

As part of our efforts to offer the children a broad and balanced curriculum, Year 3 are planning a trip to KidZania London in January 2018. This trip has been running successfully for the last few years and has proven to be very popular with both parents and children.

KidZania is a fairly new educational concept, where children have the opportunity to experience more than 60 real life role-play activities in a child-sized city! These activities will allow the children to apply their knowledge to near-real life situations and problems, further building upon our work in Autumn 2 on Chocolate and Enterprise.

Prior to committing to the trip, given events last summer and the concerns expressed by some parents, we would like to gauge the potential numbers.

We want to reassure all parents that we continue to keep all our trips, visits and activities under continuous review, paying close attention to the level of terror-alert as determined by the intelligence services (see <https://www.mi5.gov.uk/threat-levels>).

As with the London trips that went ahead in Summer term, we will follow the advice from government, Local Authority and the individual venue concerning the management of risk in urban areas to fully reconsider our risk assessments.

If you have any questions or concerns, please speak to your child's class teacher.

Please indicate on the slip below, whether or not you are happy for your child to attend the Kidzania trip in January 2018.

Thank you for the continued support,

Miss Lea & Mr Maranzana
