## GUITAR LESSONS

Dear Parents,

You will be aware that there has been some difficulty in securing Guitar tuition this term. We made the difficult decision to terminate the arrangement with the most recent provider due to concerns about their employment procedures which did not fully align with Hertfordshire Local Authority protocols.

Sophie Holland has been working hard to find a suitable replacement in the hope that sessions could continue un-interrupted after Easter. However, it is likely that there may be some delay as we complete pre-employment checks and timetabling arrangements with a new provider.

Please accept our apologies for the disruption. We are keen that the children should not lose momentum or enthusiasm. We hope to be in touch early in the new term with news of a new Guitar teacher.

Sharon Sanderson
