

Grove Road Primary School

Thursday 27th April 2017

Dear Parents,

As you may know, from the Spring newsletter, Year 5 created a piece of art work which was entered in to the Dacorum Young Artists' competition.

The external judges have now concluded their work in respect of this year's Dacorum Young Artists' competition and I can now advise the outcome as follows:-

Winner - Harry Robinson - Dundale School, Tring
Second - Shaun Starck - The Collett School, Hemel Hempstead
Third - Ruby Izzard - Bishop Wood School, Tring

Harry will receive the winner's engraved trophy for retention by the School for 12 months. He will also receive his own personal trophy and £60 in vouchers. Shaun and Ruby also receive their own individual trophies and £40 and £20 respectively in vouchers

The Best in School winners also receive their own plaques and the judges awarded these as follows:-

The Reddings School - Sophia Berrington
Long Marston School - Jessica Wright
Thomas Coram School - Hannah Smith
Chaulden School - Megan Cumner
Potten End School - Callum Humphrey
Chambersbury School - Connie Wood
Grove Road School - Emily Clayton
Lockers Park School - Sachin Thakvar
Woodfield School - Ethan Clooney

In addition, every entrant receives a Certificate.

This year, they received well in excess of 300 entries. They will all be available to view from 11.30am on 6th May at Astley Cooper School, St Agnells Lane, Hemel Hempstead, HP2 7HL. The presentation of prizes to the three overall winners together with the Best in School winners will be at 2.00pm. Parking will be available on site.

Can I just emphasise that all parents, together with pupils and teachers, are most welcome to go along and view the exhibition on the 6th May. The more the merrier!

Yours Sincerely,

Katie Carter
Leader of Art and Design
