

Grove Road Primary School

Friday 12th January 2018

Dear Parents and Carers

Email Weekly Update week commencing 8th January 2018

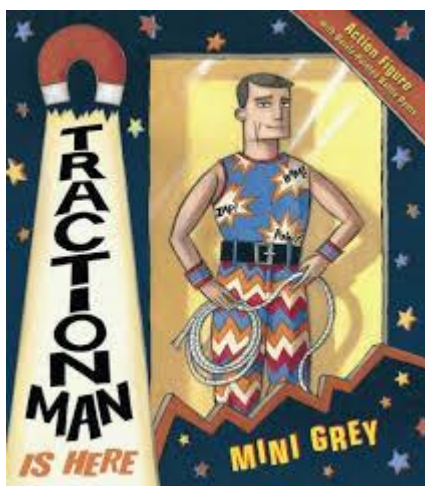

Please see attached the latest Headteacher Newsletter.

8.30 - 9am Thursday 11th January 2018 KS2 Family Learning This is an opportunity to come into class and look at the children's books and talk with them about what they have been looking at in school.

Please see the attached letter from the Year 2 team about the upcoming trip to Windsor Castle.

Please see the attached letters and the message below from the Reception team:

This week the children in Reception are reading the book Superworm. As part of the story, the children are designing their own superhero capes. It would be great for the children to then transfer these designs on to material to make a 'real' cape. If you have an old pillow case or sheet that you could donate that would be much appreciated.

Next week, we will be reading the book Traction Man. In the story, lots of house hold items are characters, for example, 'the evil dishcloth'. The children will be creating their own character using a house hold item. Any donations to support this would be great. These might include a dishcloth, wood spoon, cutlery, scrubbing brush, flannel, whisks, old shoes or socks.

Thank you for your support

Please see the attached flyers for upcoming clubs from Chess Club, Game On and XLR8.

Please find attached a flyer for a Breakfast Club starting next week.

Kind Regards

The Admin Team
