

Grove Road Primary School

Wednesday 23rd June 2018

Dear Reception parents

Early Years Sports Day

Thursday 14th June at 9:30am on the school field.

You will find us on the school field by coming through the entrance of the school grounds and then walking around the left side of the school building. You then walk across the playground towards Tring School. The Early Years Sports Day is a carousel of activities which the children will move around in teams. Siblings will be in the same team and you will be able to stand around the outside of the circuit. You can follow your child/children around as they move from each activity. This usually lasts about 45 minutes.

In the case of warm weather, please can we ask for children to have sun cream applied before they come to school and for them to each have a water bottle and hat. We would also ask if they wear appropriate footwear for running.

Please remember that staff are responsible for your child's safety so children must stay with their group throughout the Sports Day.

Yours Sincerely

Katie Collins & Louise Bowen
