

Grove Road Primary School & Nursery

Friday 5th May 2017

Dear Nursery Parents,

The Nursery children will be learning about living and growing this term.

To enhance this topic, on the morning of **Friday 12th May**, we are having some special visitors to Nursery. The children will get to meet and greet some exciting mini beasts, including Land Snail, Tarantula and Millipede! ZOO LAB will provide two workshops during the morning with their special visitors to learn more about living and growing, which will take place in the school hall.

Due to staffing ratios in conjunction with our flexible sessions in Nursery the opportunities to attend these sessions will be organised as follows:

If your child attends Nursery on a Friday morning they will be able to take part in the ZOO LAB Workshop and the cost for this will be **£6.65 per child**.

If your child does not attend Nursery on Friday morning, we would like to invite them to come along and attend the first workshop and the cost for this will be **£6.65 per child**.

Due to adult/child ratios, you will need to drop off your child at Nursery at 9.00am and collect again from Nursery at 10.15am, when the workshop will end.

We also require a small number of parent helpers please speak to Nursery if you are available to help.

Payment & permission for your child to attend this workshop should be made on www.schoolgateway.com. You will need your email address and mobile number (that the school holds for you) to log-on if you haven't used the School Gateway before.

This needs to be completed by Wednesday 10th May.

Yours sincerely,

Miss Sophie Holland
Nursery Teacher
