Dear Parents and Carers

Currently in English, we are looking at the Charles Dickens story "A Christmas Carol". To support with the children's understanding of the story, we would like to show them parts of the film, the Disney version of A Christmas Carol starring Jim Carey. The rating of this film is a PG so we need your permission in order to show this film.

If you do not want your child to watch this could you please make us aware by Friday 9th December 2016. If we do not hear from you, we will presume that you are happy for your child to watch the movie.
