

Dear Parents,

We will be making a model of a shaduf (an Egyptian water lifting device) next week in DT. The children will be designing and making their own models.

We would be grateful if you could provide any of the following to assist with this:

- Yoghurt pots or anything else that could be used for a bucket
- Elastic bands
- String
- Plasticine
- Sticks
- Kitchen roll tubes
- Stones
- Blu-tac
- Straws
- Loom bands
- Cardboard
- Lolly sticks
- Tin foil

If you could ask your child if they need anything in particular for their model, that would be really helpful.

Thank you in advance,

Miss Lea and Mr Maranzana
