

Grove Road Primary School

8th September 2017

Dear Parents,

Parent Skills Audit

We are currently trying to create a database of parents that may have a particular skill or talent to offer. Our teachers are always on the lookout for parents to come and help with all sorts of things and we are keen to utilise the plethora of talents we know you parents have.

You may have a flair for music, film/media, cooking, art and crafts, DIY, science, maths, sport, story-telling or the love of books. Perhaps you have travelled or have a unique job that you could share with the children. If so, we would love to hear from you.

You may be willing to come in regularly or perhaps you can only commit to a one off session. Any offers are greatly appreciated as these experiences help to enrich children's learning at Grove Road Primary School.

If you think you can help, please complete and return the slip below to your child's class teacher.

Looking forward to hearing from you. Thank you in advance.

Yours sincerely,

Mrs Louise Bowen
Curriculum Development Team

Please return the slip below to your child's class teacher.
