## **This is GROVE ROAD PRIMARY SCHOOL'S Publication Scheme on information available under the Freedom of Information Act 2000**

*The governing body is responsible for maintenance of this scheme.*

### **1. Introduction: what a publication scheme is and why it has been developed**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The Information Commissioner's Office (ICO) would expect schools to make the information in this document available unless:

- we do not hold the information;
- the information is exempt under one of the FOI exemptions or Environmental Information Regulations (EIRs) exceptions, or its release is prohibited under another statute;
- the information is archived, out of date or otherwise inaccessible; or,
- it would be impractical or resource-intensive to prepare the material for routine release.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the latest model scheme for schools approved by the Information Commissioner.

We endeavour to make as much information as possible available online. The classes, below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it.

The school does not charge for information which is accessed on our website. However, we may pass on costs for reproducing information or providing it in alternative formats, and we do charge for some specialist information services. Details of these costs are listed in the Schedule of Charges, see section 4.

## 2. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below, or you can visit our website at <http://www.groveroad.herts.sch.uk>.

Email: [admin@groveroad.herts.sch.uk](mailto:admin@groveroad.herts.sch.uk)

Tel: 01442 822056

Fax: 01442 382615

Contact Address: Grove Road Primary School, Grove Road, Tring, Hertfordshire, HP23 5PD

To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST" (in CAPITALS please)

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

## 3. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 4. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications, we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.

## 4. Classes of Information Currently Published
