

Cross Country Clean Sweep

Grove Road Primary School won a clean sweep of cross country races at an inter-school competition organised by Tring School on 10th February.

With some outstanding running performances from the children, Grove Road won all three categories (years 1-2, years 3-4 and years 5-6), beating competition from other local schools including Dundale, Bishop Wood, Aldbury, Wigginton and Little Gaddesden.

Michael Tomkinson, Year 6 teacher and Sports Coordinator at Grove Road commented: “All the children tried so hard, demonstrating real determination to do their very best, and making Grove Road very proud! Our thanks to the year 10 pupils and PE department at Tring School, who organised the event, and provided a wonderful sporting opportunity for the children”.

Winners from Grove Road in the year 5-6 category
