

# Grove Road Primary School – Owls Club

Tuesday 10<sup>th</sup> May

## Owls Club Newsletter 2 – May 2016

Dear Parents and Carers,

Owls club has started very well; we've had lots of positive feedback from many of you and the children. Please do keep letting us know what you think, your feedback is helping us to shape how we work.

Last week and this week we have a 'building and construction' theme – in some of our activities we have been and will continue our theme of creating structures and building with unusual materials. We will then be having a focus on our courtyard garden for a couple of weeks, which the children have adopted for growing their sunflowers in.

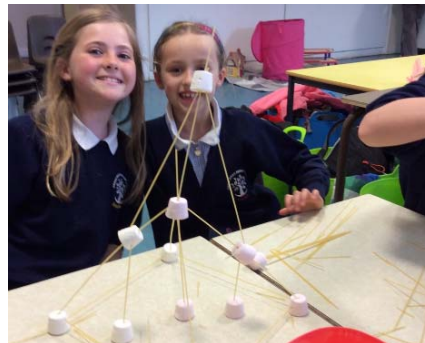

### Protocols and systems

- If you know that your child will not be attending Owls Club on one of their usual days, you can let us know either by leaving a message on the Owls Club answerphone (option 4 when you call the school on 01442 822056), or by leaving a message with our school admin team; we have a message system arranged with the admin team in the main office.
- We apologise that we do not have capacity to provide for ad hoc arrangements (short notice child care). Our staffing and food are both calculated based on booked numbers and we currently do not have capacity to provide for flexible arrangements. We thank you for your understanding with this.

### Some of what we've been up to...

Trains and cars

Building structures

Time outside

### And finally,

We have some children very keen on Lego; we are currently looking for the Lego base boards for making models on. We are also looking for family films on DVD which you no longer want. We are collecting 'Universal' rated DVDs to offer as an occasional activity. If you would like to donate either Lego (including base boards) or any DVDs, we would be very grateful.

Yours sincerely,

Sharon Berry  
Owls Club Manager

Kirsty Kirkpatrick  
Owls Club Deputy Manager

Kate Kellner  
Deputy Headteacher
