

Curriculum Map Reception Spring

The Prime Areas of Learning

Communication and Language

- Maintains attention and concentrates
- Listens and responds to ideas expressed by others in conversation
- Extend vocabulary and explores the meaning of new words

Physical Development

- Travels with confidence over and under through balancing and climbing equipment
- Begins to build a repertoire of songs and dances.
- Understands the need to eat a range of healthy food
- Understands the importance of exercise and the effects.
- Use woodwork tools safety and with increasing control.

Personal, Social and Emotion Development

- Confident to speak to others about own needs, wants, interests and opinions
- Be aware of Grove Road Learning Habits and how they help us to be a good learner
- To negotiate and solve problems with friends independently

The Specific Areas of Learning

Literacy

- Uses a capital letter at the beginning of a sentence, finger spaces and a full stop at the end
- To read a range of fiction and non-fiction texts
- Use phonic knowledge to blend and segment words when reading and writing

Mathematics

- Use vocabulary involved in adding and subtracting
- Estimates how many objects they can see and counts to check
- To embed understanding of numbers 0 -20 and beyond.
- Explore different forms of measure including weight, capacity, length and time.
- Begin to use everyday language related to money.

Understanding the World

- Enjoys joining in with family customs and routines: Celebrations – Chinese New Year, Easter, Mothering Sunday, Valentines Day
- Looks closely at similarities, differences, patterns and change:
- Growth, Seasons (Winter and Spring)
- To log on and off a computer, to complete a 2 simple program.

Expressive Arts and Design

- Constructs with a purpose in mind
- Uses tool and techniques competently and appropriately
- Experiments to create different textures
- To use different instruments to express ideas and feelings

These are the key skills we will be focusing on this term. How we teach and deliver this will depend on your child. Whilst having a particular theme or topic in mind, the observations and assessments of your children will feed into our planning. It is far more powerful to teach a skill from the children's interests than from our own.

The Characteristics of Effective Learning are the ways in which your child engages with other people and their environment – playing and exploring, active learning, and creating and thinking critically – underpin learning and development across all areas and support your child to remain an effective and motivated learner.

The Prime Areas begin to develop quickly in response to relationships and experiences, and run through and support learning in all other areas. The Prime Areas continue to be fundamental throughout the EYFS. The Specific Areas include essential skills and knowledge. They grow out of the Prime Areas, and provide important contexts for learning.

Characteristics of Effective Learning

Playing and exploring – engagement

**Finding out and exploring
Playing with what they know
Being willing to 'have a go'**

Active learning – motivation

**Being involved and concentrating
Keeping trying
Enjoying achieving what they set out to do**

Creating and thinking critically – thinking

**Having their own ideas
Making links
Choosing ways to do things**
