

Reception Home Learning Spring Term 2 2018

Choose one home learning activity to complete each week. You can choose which one to do, and in which order to complete them. We would like your child to complete one piece of Home Learning to bring to school each week.

Please sign the activity on the grid that has been completed that week. For when you have a busy weekend we have included a Family Week. These are only suggestions of some things you might do and there is no need to put anything in the Home Learning Book for the family week, unless you wish to. Just sign to show that is the activity chosen.

Please bring Home Learning back to school every Monday. Please stick your Home Learning in your Home Learning Book. Thank you for your support.

Literacy

World Book Day- 1st March.....read a story!

Re-tell a story of your own choice to your family. Remember to use expression and change your voice depending on your character.

Can you draw a picture of one of the characters? Describe your character by labelling it or by writing 2 or 3 sentences.

Maths

What's the time Mr wolf?

Get talking with your child about different times in the day.

Create a timetable of some of the fabulous things that you do over the weekend.

Don't forget to include o'clock and half-past.

For example
Swimming 11 o'clock

Can you do some research on dinosaurs? What information can you find out?

Please use <http://www.safesearchkids.com> when your child is searching the internet.

We have been talking to your child about being safe online. Please watch this short story about the problems that Smartie the penguin faces when online and how he safely overcomes them.

Learning Habits

Signs of Spring

Family Week

Continue to talk to your child about our schools learning habits. Use the school website if you need to find out more information.

Spring is nearly here. When you are in your garden or maybe on a walk, what signs of Spring can you see?

Take time to do something as a family this week

What learning habit(s) have you used this weekend? How did you use them?

Draw some of them in your book. Write a label or a sentence to go with your picture.

For example:

Draw a picture of what you did (parent to scribe).

- a busy family weekend
- a walk in the woods
- I tidied my bedroom
- I set the table for lunch
- I did some cooking
- Play a game involving numbers or counting e.g. dominoes, counter game.

Eg, I was curious about why the moon had changed shape. I worked together with my sister to lay the table independently.

I was determined to do my coat up and I didn't give up until I did it.
