

## Dacorum Rugby Festival Year 5/6 @ Kings Langley

On Wednesday 2<sup>nd</sup> October 2019, Year 5 and 6 competed in the DSSN's Tag Rugby Tournament. They played against other schools in the Dacorum Borough and it was a fantastic opportunity for them to practise their skills.

Oliver and Freya, two members of the team, had this to say:

Freya: "It was very fun, but quite hard. I learnt that when I had the ball and someone was coming towards me, I would run one way and then the other to try and trick them. We won some games and lost others and it made me feel proud because we worked together. "

Oliver: "It was definitely the best trip to go out on because it was a very good team working sport. We won 4 and drew 1 and I learnt a lot more about Rugby than I ever did know."

Overall, the teams had an amazing experience and showed great sportsmanship. They demonstrated collaboration respect and fairness towards others.
